## This Month's Highlights

### Knox United's First Female Team

Knox United are proud to announce its very first female football team with the formation of a Women's All Age Division 2 team. Under the coaching guidance of Head Coach Dylan Millett, we are excited to see the team play their first trial game in the coming weeks.

Managed by Eve Whittaker, the team are still on the lookout for a few players to complete their ranks of a full squad. If you or know of anyone who would be interested in making history at the club by joining the team, please teach out to the club for more details. Welcome Knox United Women!

# CLUB CAPTAIN ADDRESS

DANIEL RAHME IS CLUB CAPTAIN FOR A 2ND SEASON. THIS WILL ALSO BE HE'S 10TH SEASON WITH THE CLUB

The 2025 season marks a historic milestone as we celebrate our 30th anniversary. With a decade in the premier league, the launch of our inaugural women's team, and our men's all-age team's promotion to division four, alongside our thriving over-35s and junior programs, Knox United continues to grow stronger.

Club Captain Daniel Rahme

Our premier league squad's preseason has been exceptional, with the final squad announcement coming soon. Under new coaching leadership and driven by impressive trial performances, we're targeting top four finishes in both grades. This would be an incredible achievement, highlighting our ability to compete with the association's largest clubs despite the constant battle for resources.

Daniel Rahme, Captaining  
MAA PL Reserve team

Our club's foundation has always been its strong community spirit. In this anniversary year, we encourage everyone to support all our teams, from the Over-35s to our new women's squad and our Mini-Roos. We all wear the same jersey on the weekend!

As we enter our busiest administrative period, we ask for your patience with our committee and team managers who are working tirelessly to make this milestone year truly memorable for every member.

### NEW WOMEN'S AND O55'S TEAM JOINING THE FOLD

The club's now 11 senior teams are all starting to prepare themselves for the upcoming season. Whether this be organising trainings, trial games or social events. Our Knox United teams are keen to take on the 2025 season.

Men's Premier League had their 3rd pre-season game under the new direction of Head Coach, Dejan Lukic who is helping the team grow and improve with each session. The Men's Division 3 is also getting well prepared for the season, as their first trial game this Friday. Along with the other All Age teams, they are always looking for some extra players to help the team.

The Over 35's teams are hard at work on and off the field to ensure they both reach the Grand Final this season. The club's second longest standing pre-season competition, the 'Old Boys Cup' will be played by the O35 Division 3 team, keep an eye out on the socials for more information.

The club's two newest teams are gearing up to hit the ground running the Women's All Age Division 2 and the Men's Over 55's Division 2 teams are keen to be a part of the Knox United community. Welcome to all new players joining the club.

NORTHERN  
SUBURBS  
FOOTBALL  
EST. 1957

After the 2 games played by the NSFA Select Men's Team, NSFA were able to walk away with 50% of the silverware. Defeating Northwest Sydney Football Association is a great achievement in the inaugural Tri Association Competition. Zac and Eddy did both the NSFA and the club proud.

Sadly, when the team played ancient rivals Manly Warringah Football Association a win was not on the cards. Playing hard the game just didn't go NSFA's way, the game was ultimately won by the opposition. Regardless, the team played an amazing game and look forward to reclaiming the trophy in 2026.
